

HAPPY HALLOWEEN

Fall has finally come! It seems like it became cold very quickly. I'm still getting used to the cold weather because my home town is warm all year. The leaves are changing, and it is very beautiful!

My birthday was October, and the students and teachers were very kind. The teachers and students wrote me messages and wished me happy birthday. Thank you very much for the messages and for the past year! I'm so happy to work at Konan Junior High School! I want to repay everyone for their kindness!

This month we had the sports tournament. Good work to all the students who practiced hard and did their best at the tournaments! Congratulations to all the students who were able to win their games! It is fun seeing the students' hard work pay off in their tournaments. I hope the students will continue to work hard in their studies and in their clubs.

We also had Halloween lessons this month. I told the students scary stories, and some of them made original Halloween monsters. The monsters were very cute and very cool! I liked seeing the students' creativity, and I hope that they had fun designing their original monsters.

On Halloween, I wore devil horns for the day, and students could say "Trick or Treat!" to me to get a sticker. The students were very cute and I was happy I could share my many stickers with them.

I hope they had a fun Halloween!
